Headline:
Mild, cloudy and breezy, with the odd spot of rain.

Today:
A rather cloudy and breezy day, particularly near the south coast, with the odd spot of light rain and drizzle. Very mild for the time of year. Maximum temperature 15 deg C (59 deg F).

Tonight:
Remaining cloudy and windy with patchy light rain and drizzle, turning heavier and more persistent across eastern parts later in the night. Minimum temperature 10 deg C (50 deg F).

Friday:
Outbreaks of rain soon clearing eastwards to leave a largely dry and very mild day, with bright or sunny spells. Breezy once again, but winds should gradually ease later. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
Largely dry Saturday with sunny spells. Heavy showers or longer spells of rain Sunday, easing on Monday. Often windy and starting very mild, but becoming cooler next week.
